In compliance with the Federal Family Right and Education Privacy Act, the following guidelines are used:

Preschool/Kinder Prep: What's the difference?

At Noah's Ark, our 2-day preschool class is an introduction to a classroom setting and one of our biggest goals is that the children learn routine, structure and how to listen and respect teachers as well as peers. Students will be

introduced to pre-kindergarten skills. In preschool, there will be more free choice time and large group activities.

Kinder Prep will be an introduction to a Kindergarten setting. The students will spend time in small work groups focusing on all of the early learning skills. There will be less free choice time and more “structure” to their day.

While full payment of tuition is expected and required we can certainly work with you to make sure your child remains enrolled. Unless such special arrangements are made, a child whose tuition falls more than 1 month behind may not be allowed to continue classes. All efforts will be made to continue the school year as planned. If an unseen circumstance arises, and we unfortunately would need to close, the following will apply.

1. Parents may withdraw their child from the program and tuition is expected to be paid up to date, according to the child's last day.

Immunization:

[S.D. Codified Laws § 13-28-7.1](#)

§ 13-28-7.1. Tests and immunizations for communicable diseases required for admission to school or early childhood program -- Exceptions -- Rules

Any pupil entering school or an early childhood program in this state, shall, prior to admission, be required to present to the appropriate school authorities' certification from a licensed physician that the child has received or is in the process of receiving adequate immunization against poliomyelitis, diphtheria, pertussis, rubeola, rubella, mumps, tetanus, and varicella, according to recommendations provided by the Department of Health. The Department of Health may modify or delete any of the required immunizations. As an alternative to the requirement for a physician's certification, the pupil may present:

- (1) Certification from a licensed physician stating the physical condition of the child would be such that an immunization would endanger the child's life or health; or
- (2) A written statement signed by one parent or guardian that the child is an adherent to a religious doctrine whose teachings are opposed to such immunization; or
- (3) A written statement signed by one parent or guardian requesting that the local health department give the immunization because the parents or guardians lack the means to pay for such immunization.

The Department of Health may promulgate reasonable rules, in accordance with chapter 1-26, to require compliance and documentation of adequate immunization, to define appropriate certification, and to specify standard procedure

Illnesses:

Please do not send your child to school if he/she has a temperature of 99 or above, has vomited, or has had diarrhea in the past 24 hours. A rash that may be disease related or with no known cause.

Absences:

Please notify your child's teacher if your child will not be in attendance.

Clothing Suggestions:

Please dress your child in suitable play clothing that can be easily laundered and allow them to participate fully in our program. We recommend tennis shoes since we play outside as much as possible.

Drop off and Pick Up:

Doors open 15 minutes before your class time starts.

A teacher will be present to welcome your child.

If someone other than a parent will be picking up your child, we require written authorization on the transportation form.

Late Pick Up Policy:

While we understand things sometimes come up, we ask that you are respectful of our time too.

Parents are required to pick up children no later than 5 minutes after class ends. A child who is picked up late can get anxious, and teachers need to be able to count on leaving their job promptly. Being on-time is a significant contributor to the job satisfaction of our teachers and the happiness of our children. We pride ourselves on being a school whose parents are on-time and strive to have no violations of this rule.

Parents arriving after the 5-minute window will be penalized as follows:

- 1st violation within 1 calendar month: Parents will be charged a late fee of \$10 for arrival that is 10-15 minutes late, and an additional \$25 for arrival later than that.
 - Violations beyond this will be discussed and handled on a case by case basis.

Snack:

Our daily snack time is a relaxed, social time where we encourage conversation and age appropriate table manners. Each day we will say or sing a prayer before we eat.

Snacks typically consist of, fruit, cheese, crackers, yogurt, pretzels, graham crackers, etc.

You are welcome to bring a special treat for your child's birthday! Please let the teacher know ahead of time.

Weather:

In the event of bad weather, our Preschool will close whenever Brandon Valley schools close. Preschool alerts will be sent via email.

If BV starts 1 hour late, AM classes will begin at 9:30.

If BV starts 2 hours late, there will be no morning classes that day.

Staff has the right to cancel classes at any time due to illness and/or weather-related issues. We will make up missed days as needed and as the Preschool schedule allows. Families will be notified of any schedule changes.

Transportation:

NAPS does not provide transportation to and from the church. The Brandon City Transit does offer a bus service for a small fee. Please call them at 605-582-3553 for more information.

Field Trips:

We love the BV community and are hoping to do a few field trips around the town! More information will be sent as needed. 😊

Discipline:

When a behavior becomes a concern, we seek to:

- Equip the child to solve the dilemma by him/herself.
- Redirect a child to appropriate use of materials.
- Help the child find another activity to enjoy.

Most behavior problems are minor and can be dealt with quickly and informally. However, for children who seem to have an unusual number of problems, a systematic approach to problem solving would be used in coordination with the parents.

Staff Qualifications:

Each class is taught by a certified teacher and/or individual with a degree in Education.

In addition to the teacher, each class will also have an educational assistant who works with the children under the guidance and supervision of the teacher. Noah's Ark Preschool's student to teacher ratio is 8:1.

We are proud to offer a totally safe and secure environment for our little learners. Preschool doors will be locked during school hours. Please give us a call if you need to enter or knock and we will let you in! 😊
